When signatures matter

www.signatures.nu

Project goals

- **ONE** way to get signatures from **any** signature based project
- **ONE** way to see signatures alerts on the web
- Signatures playground (buildbots, regression tests, etc...)
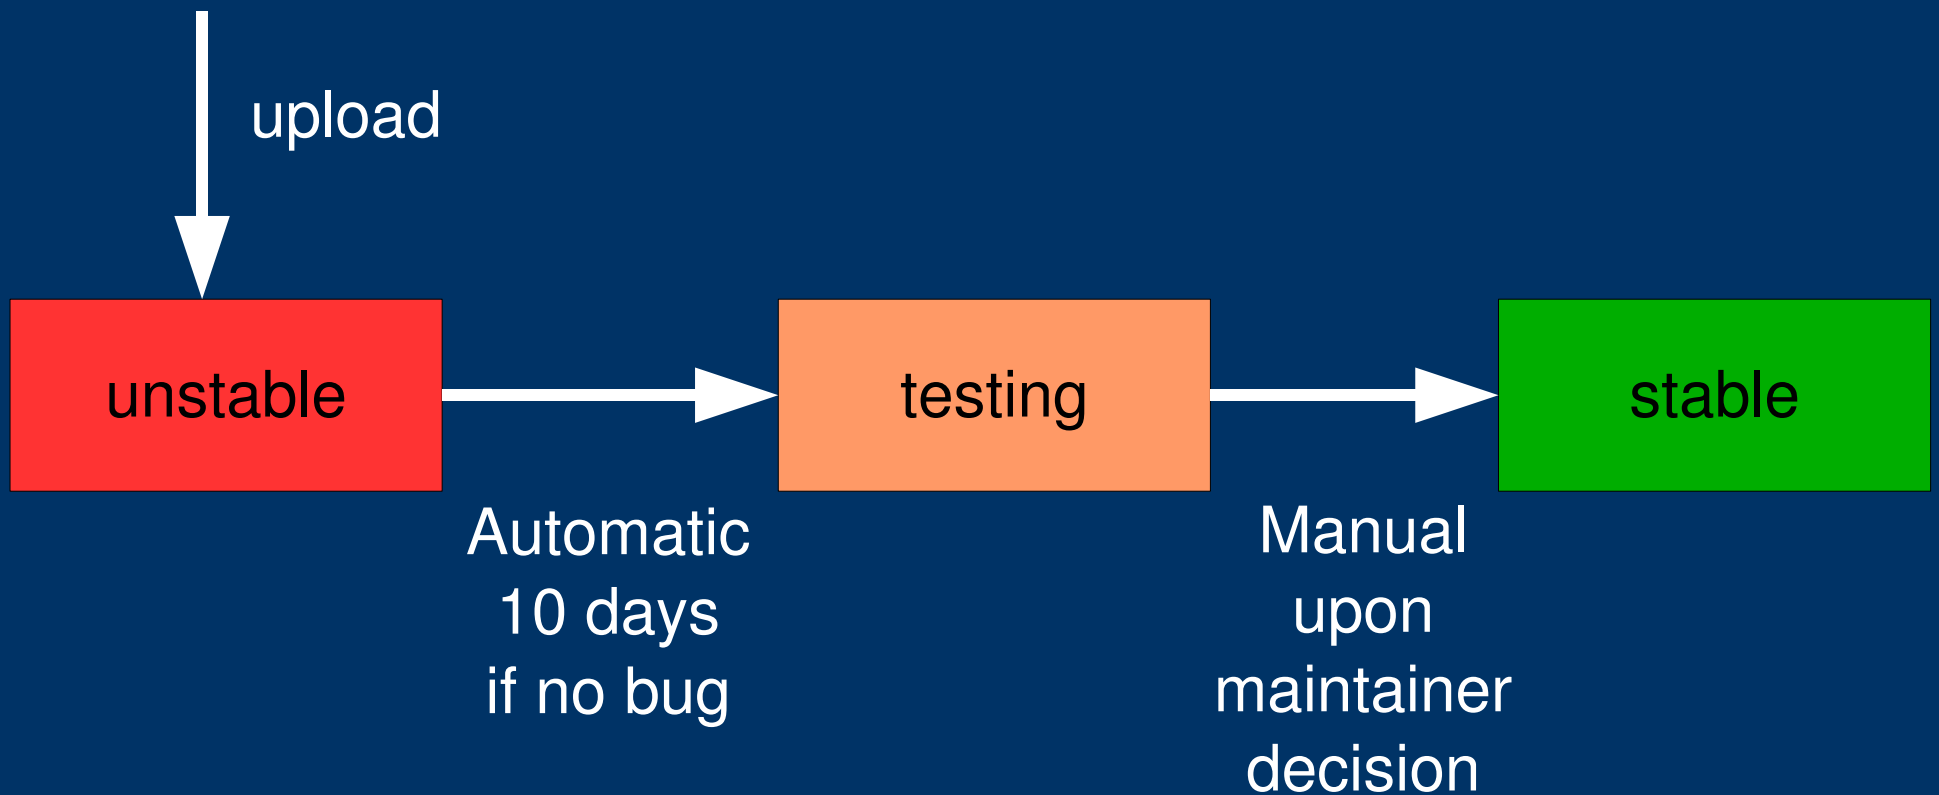

Project needs

- Tools to upload signatures
  - Verify uploader identity (gpg)
  - Centralize
  - Various checks
- Tools to manage signatures
  - See who uploaded what and when
- Tools to download signature
  - Cronjob
  - Merge with local changes
